Biblical Quotations on Legal Topics A handy anthology of biblical quotations relating to subjects of legal interest. Organized by subject with introductory notes to most sections, the book A handy anthology of biblical quotations relating to subjects of legal interest. Organized by subject with introductory notes to most sections, the book covers such topics as adoption, bribery, contracts, crime and punishment, divorce, government, crimes against the state, homicide, husband and wife, master and servant, perjury, prostitution, oaths and wills. The last section, Woman is illustrative of the utility of this anthology. Its selection of texts from the two testaments forms a corrective to the notion that the alleged inferiority of the place of woman in life is to be debited to the Old Testament alone. The citations to her status are taken entirely from the New Testament. (. . .) The merits of the book in fact are outstandingly the admirable anthology of text which it provides in easily accessible form, and the useful Introduction...
