Notion Press, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Did you hate the Board exams too? Yes, that struggle was REAL! Two sixteen-year-old boys are all set to take on their board exams. Set in the lush greenery of the 1990 s Assam, this walk down the nostalgic lane is replete with references to the teenage years of any kid, tongue-in-cheek humor and laugh-out-loud moments. The narrative transports you to your own teenage years as you look back fondly reminisce on your own journey. The boys are different - average in science and maths, but with their own equations for life, spirited yet sensitive, with a thousand questions and sassy answers. Rendered through the eyes of a young lad who couldn t be bothered by the rat race, Chasing the dreaded 33 is sure to leave you smiling and laughing your gut out with the writer s wry sense of humor! This book is a beautiful reminder that life is far more than just numbers that are ascribed to you after testing your memory against unfair standards.
