He started writing poetry in earnest while living in California in the early eighties. In the process of reinventing himself numerous times, his penchant for the language of poetry seemed best suited to express emotional experiences. He then spent several years pursuing his writing in the South of France, during which time he published his first three books. He has since moved back to Canada and is now living in the Eastern Townships of the province of Quebec with his French wife Marianne, and two Maine Coon cats. He has published ten books to date, this being his eleventh.
