Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating throgth reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

OIL PROSPECTING, DRILLING AND EXTRACTION (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD](#)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Oil Prospecting, Drilling and Extraction For the man. Who desires to know how oil is found, the geological formations in which it is found and the methods that are used in its development and extraction this book has been prepared. In the mining industry for the prospector, miner, geologist and engineer many books have been written. However, the prospector for oil, the driller and the general operator have never had any book giving. Any classified and systematic data. In this book I have, therefore, attempted to fulfill the requirements of the last mentioned. Especially for Canada is this now needed, where vast areas of oil formations with tremendous productive potentialities lie unprospected when wells are being drilled in large numbers in other parts of the World where infinitely fewer indications for large production existed at the initial stage of development. If the petroleum prospector can work from the standpoint of the trained geologist his efforts will be greatly simplified and will. Be much more effective. This book is designed to furnish the information that will permit the. Prospector to work in this way. Petroleum geology has been a specialized profession only within the last ten years. Previous to that time all oil men chose locations for wells and did all other work by chance and by guess. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
