LOVES PLAYBOOK: THE ADVANTAGE OF WEAKNESS (VOLUME 5)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 242 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Here is an amazing love story one that under-girds the Jewish and Christian religions. It is the story of a man named Moses: who he became in relationship with God, and what God did for him and Israel as He brought them out of Egypt. It is the story of the Exodus how God redeemed Abraham's children from slavery in Egypt, told from a cosmic perspective, by a female family systems therapist. Many say this story is just myth because there is no archaeological evidence. However, there is an amazing amount of precise and weighty evidence if you look at the right time--the time given for the exodus in 1 Kings 6: 1. Archaeologists are looking 200 years too late. One word, Ramses, has thrown off the whole research world because Ramses renamed Tanis to his name when he became Pharaoh, and a late copyist of the sacred writings updated the name of Tanis to Ramses, for geographic understanding. Most probably he never dreamed he would throw the world off. But there was a mastermind behind it an enemy who didn't want Exodus to have historical validation. Why It would validate God's presence and actions in history, our world. There are cosmic beings and people who don't want that, so the war of good and evil continues. Filmmaker Timothy Mahoney was obsessed with knowing the truth, and has uncovered massive archaeological and historical evidence of the exodus. You can take his ten-year journey with him in about two hours in his film Patterns of Evidence Exodus. It is eye-opening, disturbing, confirming, confronting and comforting all at the same time! Whether you watch Mahoney's film first, or read the book first, it doesn't matter,...
