Troubador Publishing, United Kingdom, 2016. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. A highly amusing memoir from a newly published author, Invisible Pleasures beautifully and vividly describes his life from the first tremors of his imagination as a child, through his early memories in the War, to the wild youthful Rabelaisian excitement of the 60s in London and his subsequent working in Borneo and Malaya as an architect. It is an unrequited love story and a travelogue through parts of the `pre-globalised world where many places on the map then, before mass tourism had sucked them dry of mystery, were yet to be visited. And it asks the question of what we are and where we come from in either God s World or the Universe of Science. This exciting memoir of love affairs and overseas adventures will appeal to those with an interest in the arts and foreign travel.
