This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

He s still a shifter through and through, but his own brethren don t want anything to do with him and his clan. His clan really isn t a clan , they say since he has two Unwanted. This takes a toll on both Damon and Charlie. Damon starts to grow distant, and Charlie fears that Damon will just leave him one day. Then, the unthinkable happens.
