Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do you do when family and friends doubt the existence of God? How do you respond and are your Christian core beliefs on solid ground? Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus. Over three years, Mike read no less than eighty-four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists. In doing so, he established his common sense viewpoints that God's wisdom is present in this Universe, Mankind, Salvation and the Supernatural. This book is a compilation of Mike's common sense viewpoints, which are simple to understand. They are substantiated through the research writings of various Christian authors. The main concern of this book is that when your spirit leaves this life, you will have eternal happiness in the presence of Jesus. Validation of Mike's confirmation is his own supernatural experience of God's protection, which was outside the boundaries of science. The atheist premise that nothing happens outside the rules of science falls apart with Mike's experience and the experiences of many, many others. This book is an excellent source not just if you are searching for answers about Christianity and atheism, but it's an affirmation that God is love.
