

London Buildings: David Walker (Paperback)

By David Walker

Artifice Books on Architecture, United Kingdom, 2014. Paperback. Condition: New. New.. Language: English . Brand New Book. In a little over a decade, David Walker Architects have risen to an award-winning and internationally respected status, undertaking a remarkable number of significant projects across London, including the headquarters for Deutsche Bank in the City of London, and for Merrill Lynch Bank of America. As a modest sized practice their notable achievements have covered a wide range of projects including offices, hotels, residential, cultural and academic buildings, and as such they sit amongst Eric Parry, Stanton Williams and David Chipperfield as peers. London Buildings focuses on the firm's particular expertise in large complex urban schemes, making explicit their seemingly simple approach to each project, focusing on its concern for context, use, and detail. The book expands upon a number of notable projects including a new five star hotel in Knightsbridge for Bulgari Hotels and Resorts and the redevelopment of Milton Court, a 36-storey structure for Guildhall School of Music and Drama. Beyond the emphasis on the practice's London-based projects, the book features an appendix documenting their work on a global scale, including previous projects in the United States, and current...

Reviews

The publication is easy to read through and safer to comprehend. It is actually loaded with wisdom and knowledge. It has been printed in an extremely simple way and is particularly simple right after I finished reading through this pdf where it actually modified me, affecting the way I believe.

-- Ms. Clementina Cole V

This is the very best publication I have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer created this pdf.

-- Rosario Durgan
