Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Thomas De Quincey: A Study Reminiscences, has left a charming sketch. I have often found him at home, wrote Hood, then a sub-editor of the London Magazine, doubtless on a quest for copy, I have often found him quite at home, in the midst of a German ocean of Literature in a storm flooding all the floor, the table and the Chairs billows of books tossing, tumbling, surging, open on such occasions I have willingly listened by the hour, whilst the Philosopher, standing, with his eyes fixed on one side of the room, seemed to be less speaking than reading from a handwriting on the wall. Now and then he would diverge for a Scotch mile or two to the right or left, till I was tempted to inquire with Peregrine in John Bull, Do you never deviate? But he always came safely back to the point where he had left, not lost the scent, and thence hunted his topic to the end. But look! We are in the small hours, and a change comes over the spirit of that old familiar face. A faint hectic tint leaves the cheek, the eyes are a degree dimmer, and each is surrounded by a growing shadow signs of the waning influence of that Potent Drug whose stupendous Pleasures and enormous Pains have been so eloquently described by the English opium-eater.
