

Medical Signs, Tests, and Maneuvers: Fourth Edition (Hardback)

By George A Jansen, Eva Krois, Cindy L Chavez

Outskirts Press, United States, 2011. Hardback. Book Condition: New. 218 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This innovative text brilliantly describes over 900 classical and current physical diagnosis signs, tests, and maneuvers associated with over 500 diseases in a user-friendly two part format. The first (text body) provides descriptions of specific signs, tests, and maneuvers. The second part offers an alphabetical list of diseases whose signature signs, tests, or maneuvers are elucidated in the textual body. This lightweight reference book is bound within a 5.5x8.5 inch laminated hardback cover for durability under daily usage and for lab and suit coat pocket portability. Medical providers, nursing personnel, medical administrators, paramedical responders, entitlement program and insurance adjudicators, licensing, certification and accrediting workers, as well as attorneys managing medically related matters will find this text an invaluable tool. Researched and authored by three authorities with 80 collective years experience in clinical medicine, medical administration, academia, entitlement programs, medical transcription and tort law, this text represents the standard against which similar texts will be measured. George A. Jansen, M.D., FACA graduated from UCLA Medical Center School of Medicine and received training in surgery and anesthesiology at his...
