Brand New Book ***** Print on Demand *****.Anna is a shy teenager who worries about final exams and relentless local bullies, but she also has a special gift that she is only just beginning to understand: her dreams can be manifested into reality. Amid her struggles to control this new ability, a tragic death in the family turns her world upside down and rips her life apart. As Anna sinks into depression, she tries to fight off invisible shadows that torment her in her weakened state. Tracked by piercing red eyes that follow her every move, she eventually finds a glimpse of hope in her dark world in the form of a puzzle, which she must solve if she is ever to discover the truth buried inside of her. Armed with newfound strength and determination, she presses on toward the challenges that await her. In the vein of The Hunger Games by Suzanne Collins, Warchild s Dreams is the first in a trilogy that will grab you from the opening page as Anna tries to save the world against impossible odds.
