

The Forests, Forest Lands, and Forest Products of Eastern North Carolina (Classic Reprint) (Paperback)

By W W Ashe

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Forests, Forest Lands, and Forest Products of Eastern North Carolina The policy of the average citizen appears to be based upon the theory that our natural resources are inexhaustible, and that we should get all out of them we can to-day and let the future take care of itself. And so thoroughly grounded are these notions in our public and private policy that it is exceedingly difficult to secure the adoption of any plan which runs counter to them. But fortunately, in the matter of our forests, their preservation for use by a future generation need not prohibit the utilization of the valuable timber now standing by the present generation. It only demands that while we cut and make use of this timber we protect the young growth, and look to the restocking of our waste lands with valuable trees, and thus make the forest valuable for future generations also. The examinations of the forests in Eastern North Carolina were begun by the present writer several years ago. More extended investigations have been carried on by Mr. W. W. Ashe...
