It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WW Norton Co, United States, 1996. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. In this exuberant and distinctive collection, Dionisio Martinez addresses topics as diverse as love, the 1989 Tiananmen Square massacre, twentieth-century art and music, and the relevance of language in an age of image. Much of Martinez s private iconography comes from the picket-fence California community of his youth, in which large events-from the veneration of pop icons (Jean Harlow, Ed Sullivan) to the Vietnam War-seemed to move in slow motion. As an adult, the poet tries to make sense of what the child could not grasp.
