Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Classic Chinese Text - Brand New Complete Edition - Tao te Ching of Lao Tzu - The Tao Te Ching, along with the Zhuangzi, is a fundamental text for both philosophical and religious Taoism, and strongly influenced other schools, such as Legalism, Confucianism, and Chinese Buddhism, which when first introduced into China was largely interpreted through the use of Daoist words and concepts. Many Chinese artists, including poets, painters, calligraphers, and even gardeners, have used the Daodejing as a source of inspiration. Its influence has also spread widely outside East Asia, and is among the most translated works in world literature. The Wade-Giles romanization Tao Te Ching dates back to early English transliterations in the late 19th century; its influence can be seen in words and phrases that have become well established in English. Daodejing is the pinyin romanization.
