2005. Hardcover. Book Condition: New. 240 Sardar Vallabhbhai Patel, died 53 years ago. But still he is alive in social and political fields of India. It is but natural. It is the outcome of achievements which Sardar Patel acquired for the nation and the society. On one hand, he is considered to be a practical person like Mahatma Gandhi, while on the other; he has a status of a leading figure with real and effective thinking among his contemporaries. He was a man with practical approach to problems. Sardar Patel merged 554 oddly scattered princely states with the Indian Union through a proper and efficient way in a short span of time. After independence, besides creating political unity of India, Sardar Patel played vital role in the Constituent Assembly; he handled the serious problems pertaining to accession, law and order, exchange of population, and made arrangements for rehabilitation of crores of refugees. To make the bureaucracy fully responsible Vallabhbhai raised two services-Indian Administrative and Indian Police Service. All these works of Sardar Patel were so great and unique that no person can accomplish them in his one lifetime. However Vallabhbhai accomplished them. It is also true that a person like him is born once in thousands of years. This volume contains articles of renowned persons from India and some other countries of the world like Manohar Joshi, Yogendra Narayan, Mehboob Desai, Paitoon Patyayiyng, B.J.
